

### Week 1: How Do I Start My Project?

You will use the general concept of an infographic to help you design your Career Map.

1. Do a Google search for “infographic” and write in the space below what you learn. Give a definition and any other interesting facts you find.

Definition of “infographic”:

---

Facts:

---

---

2. Find three examples of infographics online. List them below **and** tell what you liked about each one.

a. 

---

---

b. 

---

---

c. 

---

---

3. Take a look at the sample infographics provided on the next page.
4. Pick your favorite infographic from the ones you found online **and** the samples provided. **List below** why you chose them and what was good about them. Remember to try and incorporate those elements you liked into the infographic you will create.
